

Fine Furnishings

How do you spell relief? A-S-T-O-R. The Astor Chair's loose ultra down boxed seat cushion, together with a 100 percent goose down kidney pillow, is calling your name. Its sleigh-like design boasts the features of a lounge chair coupled with a roll-top back fit for royalty. Picture yourself in this conversation piece. The look of comfort is too enticing to resist.

How To Find It:
